

**An evening of Tuscan wine and food with  
Dario Cecchini for the benefit of  
Lakeshore General Hospital**

On April 17, **40 Westt Steakhouse** welcomes world-renowned butcher, **Dario Cecchini**, for an unforgettable evening of wine and food, with 100% of proceeds being donated to the Lakeshore General Hospital.

**Dario Cecchini**, from Panzano in Chianti, is an eighth generation Italian butcher. His passion has brought him around the world where he demonstrates his nose-to-tail approach to butchery, showing the utmost respect for the animal. Cecchini's charismatic approach, message and love for his craft were enough for him to be chosen to appear in a dedicated episode in the sixth season of the cult food show, **Chef's Table** (beginning February 22<sup>nd</sup> on Netflix).

Working alongside 40 Westt's Executive Chef and owner, **Stefano Hinoporos**, as well as owner **John Leonis**, Cecchini and his team will cook up a remarkable 12 course meal. As no Italian family dinner can be served without wine, Dario's dishes will be paired with wines from **Castello di Albola**, an enchanting estate of timeless beauty that benefits from its unique position on the highest hills of Radda, in the heart of Chianti Classico. Winemaker Lorenzo Zonin will be on site to present a number of his family's wines, with additional commentary from 40 Westt's wine director and Montreal Gazette and CHOM FM wine columnist, **Bill Zacharkiw**.
